## Federal Partisan Affairs, State Partisan Affairs, and Local Government Committees Seeking New Members

Earlier this month, the Lincoln Club Board of Directors met to discuss political activism in 2011 and 2012. One of the things our Members have appreciated is the Lincoln Club's screening of federal, state and local candidates for office and recommendations for endorsement.

Due to the number of races available for the Club to evaluate in our new era of redistricting, the Club made the decision to add a Federal Partisan Affairs Committee charged with conducting screenings of targeted federal races for U.S. Senate and the U.S. House of Representatives. Warren Merrill has agreed to serve as Chair of this new Committee which is seeking members from each region.

Targeted California Legislative and statewide races will be screened by the State Partisan Affairs Committee, headed by George Opacic and targeted non-partisan local races on the county and municipal level will be evaluated by the Local Government Committee, headed by Jess Brown.

### This is your chance to make a difference.

These committees currently have one to two openings per region. If you are interested in serving as a Member of one of a committee, please contact Interim Executive Director Judy Lloyd at 650-264-5742 or [judy@thelincolnclub.com](mailto:judy@thelincolnclub.com) or get in touch with the Vice Chairman in your Region to let them know of your interest.
